Ben gets his head stuck

One day Ben ran down the path in the garden. He saw a moth with long wings land on the sand by the hen house. He was quick and got the moth, but Pippa took it from him.

Pippa put the moth in a big tub and looked for the lid. But Ben quickly pushed his head into the tub to try and get the moth back. Oh no! Ben is stuck. He cannot get his head out of the tub.

Dad had to put Ben and the tub into the van to rush him to the vet. The vet pulled Ben's head out of the tub, but Dad was a bit mad with Pippa.
